## ARE YOU BEING PAID IN A TIMELY MANNER?

- Late Data Entry
- Coding Errors
- Inadequate Systems
- Incompetent Contractors

## ARE YOUR CLAIMS BEING PAID?

Claims must be coded to the highest level of specificity, and not use 'unspecified' codes.

Improperly coded claims will be denied.

### Get paid more, faster, and at less expense

- Fast, Accurate Data Entry, Claim Editing, Submission
- Fast Posting, Follow-Up, Patient Contact
- Eliminate expenses for in-house systems, software, and compliance.
- We host our own systems. Access your data whenever you want.
- Know your rights and legal obligations, we do not outsource to foreign countries.
